DETAILED ACTION

Priority

1. Acknowledgment is made of applicant's claim for foreign priority based on an application filed in Australia on 06/19/2003. It is noted, however, that applicant has not filed a certified copy of the AU 20033903082 application as required by 35 U.S.C. 119(b).

Allowable Subject Matter

2. Claims 12-19 are allowed. The following is an examiner's statement of reasons for allowance: Applicant placed claims previously indicated as allowable into proper independent form including the limitations of the base and any intervening claims. The prior art of record fails to teach an anterior shoulder stretching device including a pair of laterally extending swing arms extending from the backrest of a seat at a height above where a user's hips would be, and a leg actuated actuator to cause the swing arms to simultaneously move backwards.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
